## St. Anne School Advisory Council Ballot

We have 4 vacancies on the School Advisory Council and we have 4 applicants who have expressed their interest to serve. Three of the vacancies are normal 3-year terms and one vacancy is to fill the remaining one year of another council member. Please vote for up to 4 candidates from those indicated below. Please place your marked ballots in the marked box in either vestibule of the church or drop them off at the parish office by June 30, 2009. Thank you.

### Darlene Bell

I believe a Catholic school and the religious values it instills are a very important part of a child's development. I want to help the school grow. And I believe I can offer some ideas so that might happen. I have volunteered in the kindergarten classroom and I have been active in the parish's over-55 club. I look forward to the opportunity to serve on the School Advisory Council.

### H. Arlene Huddleston

I have been a very strong supporter of our school for many years. Having attended Catholic school myself, I still understand and appreciate its importance in our lives, our parish, and the community. I believe I will be able to offer some new ideas to build up our student population. I either have been or am currently involved in the following school or church activities: Founders Club for St. Anne School; School Endowment Committee; Funeral Receptions Committee; Bazaar Committee; and volunteer at the St. Vincent dePaul social services office for the past 10 years.

### Barbara Mears

I believe that a strong Catholic school is good for the community as a whole. Furthermore, I believe that a growing school is very good for the church. I am a retired elementary school teacher and I fully understand that money needs to be raised to help fund the school. I hope to work together, as part of a team, to help improve the school's fundraising efforts. I have enjoyed participating in some of the school's fundraisers. I have donated items for the auction.

### Nancy Stewart

I want to help the school thrive. My granddaughter was a 6<sup>th</sup> grader this past year and I hope she will be able to complete through 8<sup>th</sup> grade here at St. Anne. I want to do anything that I can to help increase the opportunity for upcoming students to be able to also complete through 8<sup>th</sup> grade. I will bring my listening skills, and add my voice of reason to the work that needs to be done. I have volunteered for morning skyroom duty the past 2 years. I recently introduced quiet activities, coloring, games, etc., to direct the students' energy in a less rowdy way. That has also allowed me to get to know the students better. I have been a room parent in the 5<sup>th</sup>/6<sup>th</sup> grade class and I have worked with the student council and another staff member to put on "hot dog" Fridays. I have worked on the auction committee as well. I can give my time; and I am here to ask what I can do and to help in any way that I can.
