Dear Parishioners,

### **Vocations**

This weekend Archbishop Vlazny ordained six men to the priesthood. This is wonderful news. They are Ysrael Bien, Henry Guillen-Vega, Raul Marquez, Robert Wolf, Mark Kissner, and Joseph Nguyen. Please keep them in your prayers.

Here in Southern Oregon, we have a history of receiving newly ordained priests. As of this writing, Fr. Paschal's replacement is still in Uganda. I have no idea if and when he will arrive. Needless to say, while this is a large ordination class, we still are behind in our ability to staff parishes with enough priests. I have spoken to the Archbishop about our concern about replacing Fr. Paschal to which he sympathized and promised to work with Fr. Brennan, the vicar of clergy, who is in charge of priest placements to continue to problem solve this issue. I trust it will all fall together as it needs to be. Please note that Parochial Vicars (think assistant priests) don't remain so for very long before they become pastors. In years past, these men would be Parochial Vicars for many years, learning the skills necessary to shepherd a parish. On your part, please keep vocations to the priesthood high on your list of intentions. Parents, you need to encourage your sons to consider this vocation. Without priests, we have no Eucharist. But, I am no alarmist. I believe that God is raising up more and more men to this noble and heroic vocation. May our parish be fertile ground to encourage vocations.

### **Liturgy Schedule Issues**

Since my arrival, it has become clear that there are many issues which need to be solved. One of these is the competition that our Children's Faith Formation has with our 9:30 AM Mass. Members of our Hispanic community are having to decide whether to send their children to classes or go to Mass. This is unjust. Mass is the source and summit of our faith. Yet, if our children don't have the opportunity to learn about their faith, then we are complicit in furthering the ignorance of our youngsters, making them fodder for other religions or secularism.

Second is the desire for St. Patrick to return to a Sunday Mass. Many of their elderly are not able to make it to Mass when it is dark in the winter. Also, due to sports on Saturday's, many families do not come to Mass when there is a conflict.

Third is the best use of our priests. While we have three priests which allows us to cover all six Masses in three locations, we need to be prepared for two priests. In addition, we need to create a flexible schedule that allows us to more easily get a substitute when one of us is sick or out of town.

### **Opportunities**

In addition to these issues, I think we have several opportunities if we craft a schedule that has more time between the Masses. It will allow us to host adult faith formation opportunities between the Masses, relieve our traffic flow between Masses, and afford people better chances for better parking. For families with children, while their kids are in class, there will be an opportunity to grow deeper in their own faith. Our priests will also have more chance to share in fellowship at coffee and donuts instead of rushing off to the next Mass. I hope to introduce a monthly series I have previously called "Catholicism 101" which explores the basics of our faith as well as current topics.

### **Liturgy Schedule Change**

To these ends I have been pondering on many different scenarios that will allow for all of these to happen. I've been speaking with all the councils of all three Churches, discussing the ramifications of one schedule idea over another with staff members. I have been discussing at length various options with our priests as well as those of the vicariate. There is no schedule that is a total win-win. But, there are a few ideas that would solve many of these ideas. I have not yet come to a decision as to what will happen, but I hope to announce a decision by early July. One thing that is very seriously being looked at is moving the Spanish Mass to another day or time. It is the smallest of our Masses and sits during "prime time" when our children are attending Faith Formation. If this happens, that segment of our community will need our prayers and encouragement. Again, nothing is set in stone, but I ask for your support and understanding.. The hope is to make the liturgy schedule change effective the beginning of September. That will allow us to figure out the kinks and how to solve them.

### **Change Is Hard, But Love Conquers Fear**

With any change comes fear. It wasn't that long ago when Fr. Karl was alone here and he had no parochial vicar. I don't believe that will happen in the immediate future; but we must be prepared for the possibility of a time that we have only two priests, for which we will all need to step up and help out even more. We are privileged to have the priests we do with such a shortage ongoing around us. I am very grateful for the Archbishop's understanding for the need to have at least two priests here.

In my ten years of priestly service, I have noticed that often people are okay with change as long as it effects others and not themselves. In our current situation, I ask you to pray for wisdom and guidance for me and flexibility and openness for all those who may be upset when unusual events occur. Instead of a glass half empty, I believe that these changes will fill our cup to overflowing. It reminds me of something I once heard and have repeated many times in my homilies. When you are in love, your zip code doesn't matter. Neither does the time of day. I believe that we have many wonderful opportunities to grow in our faith. God bless you all.

Yours in Christ,

Fr. William Holtzinger  
Pastor

**"PARISH NEWS"**

**AS THE YEAR FOR PRIESTS draws to a close, Pope Benedict XVI said a priest's foremost role is to be a shepherd to his flock, and he asked the faithful to support their priests in their task of bringing people closer to God. Last June the Pope asked the faithful to "support our priests in their ministry of leading men and women to God, bearing witness to the truth of the Gospel and its message for hope." We all need to be ever so thankful, prayerful and supportive for our priests. Thank you to Fr. Bill, Fr. Paschal, Fr. Fister and all our priests. God bless you.**

This weekend is the Most Holy Body and Blood of Christ Sunday. Have you thought of what this means? Do you think of the importance of the Eucharist in the Mass? Not only are you receiving the Body and Blood of Christ but he is also receiving you. What a wonderful sacrament we have. The total experience is beyond words. I am very grateful every time I receive. How about you? Do you think about and thank God after communion?

# YOUTH NEWS

**HIGH SCHOOL** - we're down to our last week of youth nights this Sunday. We started this last Wednesday, June 2, our summer Wednesdays of praise at the Riverside park soccer fields. We'll meet at 7:00PM, do some praise and worship, read the coming Sunday's readings, and play some Ultimate Frisbee, not necessarily in that order. We be done around 8:30PM. This is open to anyone who is entering High School next year and up, so take special note all of you 8th graders.

**SUMMER SNEAK PREVIEW -**

**reachyouthministry** June 13th-18th is Reach's Discipleship Camp. A few teens went last year and had an amazing time growing in their faith. We are planning on heading back to Grandview, WA. Cost is \$300.

June 21st—25th is CLI, the Christian Leadership Institute. We had 3 teens learn more about their faith and how to be a leader within the church community last year, and will hopefully have a couple more this time around. Cost is \$250.

We will try to offset costs to families by \$50 or \$100 per event from fundraising we've done through the year. We also would love to have sponsors for the teens, again for as little or as much you want to give, so that they will be better able to afford to go. If you fell you can help in this way, please contact Hans at 541-476-5802 or email: hmueller@stannechurch.com.

**HAVE A BLESSED & SAFE SUMMER!**

Congratulations to the newly elected members of the School Advisory Council: Marie Chandler, Diana Miller, and Nancy Trahern. We offer a huge "thank you" and our heartfelt gratitude to Esther Blakely, John McCafferty, and Barbara Mears, who have served the school so well. Their ideas and tireless efforts have been awesome and so much appreciated.

Remember you can continue to buy scrip for Fred Meyer and Grocery Outlet, also, Papa Murphy Pizza and Sonic coupon cards throughout the summer either during the school office hours or after each Mass.

Please continue to save all your Ray's receipts, Box Tops, Campbell Soup labels, Capri Sun pouches and printer cartridges throughout the summer months. This really brings great rewards for our school to help purchase necessary school supplies. We are very pleased with the success of these programs and much appreciate all your help.

Don't forget to mention St. Anne Catholic School when purchasing books at the **Oregon Book Store**.

Need your windshield repaired or replaced?

**Call Novus Auto Glass at 541-474-5646.**
