Dear Parishioners,

As you all know, I've been trying to discern how we can free our Children's Faith Formation (formerly called children's religious ed.) from taking place at the same time as Mass as well as trying to accommodate a Sunday Mass in Cave Junction. After a rather difficult discernment which included input from the Archbishop, discussions with Esperanza, our Hispanic Minister, reflections from all the councils, advice from many parts of the parish, and Hispanic ministers outside of the parish, I've come to a difficult conclusion. It is clear that there is no perfect solution, but in order to attempt to meet these two main concerns as well as a myriad of others that were brought forward during my discernment with all these groups, it became clear that several things would have to shift.

So below is the new liturgy schedule which takes effect on Labor day Weekend (Sept. 4/5). It frees Children's Faith Formation from competing with Mass, allows St. Patrick of the Forest to have a Sunday Mass, creates time for adult faith formation classes between the two Masses on Sunday as well as after the last Mass on Saturday, relieves traffic flow between the Masses on Sunday at St. Anne, and offers the greatest flexibility for scheduling priests and priest substitutes. Yes, there are issues that are introduced, but I believe that the benefits outweigh the costs.

I beg your patience as any change is a difficult thing. Indeed, I ask you pray for the Hispanic community, as their Mass time is potentially most disruptive to many of their well established routines. Many have communicated this very thing. However, when talking to many Hispanic Ministers, they had a consensus that an evening Mass was a very doable time, indeed potentially better than an early morning Mass. Clearly, some of our Spanish speakers will be unable to come to a Saturday evening Mass due to work, but I hope that many who haven't come in the past will find the new, later time to be more accommodating. I am aware that this will be difficult, but instead of looking at the glass half empty, I encourage everyone to look at it half full. Imagine now the new possibilities that are before us. God bless you all!!

The new schedule should be announced at all the Masses this weekend. Again, this schedule does not take effect until Labor Day weekend. So, we have two months to prepare and adjust our own personal calendars to suit. The new schedule can be found below.

Blessings,

Fr. Bill, Pastor

EGYPTIAN TIMES**

*Did you hear about the prisoner who could interpret dreams? The pharaoh has summoned him to the palace. Is it true?*

**You will learn more about Joseph's incredible journey at this year's Vacation Bible School. Watch for special visitors in the very near future.**

**You can support VBS by buying a sarcophagus from the main office or next week after Masses.**

Summer is here, after much wait our region is seeing what looks like a typical summer. Just like Mary and Joseph waited for the birth of Jesus, or the waiting of the Messiah. In our Archdiocese, July 1st is a time of change and rotation. We are waiting on the arrival of a new assistant priest. It is also a time of making plans for the fall.

Father Bill talked about your talent gift from God, do you make good use of them? Have you thought about volunteering in our parish? I am currently making plans for classes this fall and can use help. Our parish needs your input on topics for Adult Faith Formation, Catechists for Children's Faith Formation, donations of supplies, and help with several projects. Feel the desire or nudge to help out? Please contact me.

God bless all of you,

**GOOD NEWS, A NEW CHURCH DIRECTORY OF PARISHIONERS AND FAMILIES is in the planning phase.** Our last Parish Resource Guide was published in 2007 and that did not include photos of St. Anne members. The last photo directory was published in 2003. We are working out the details with Olan Mills, Inc., a nationally acclaimed photography and portrait company who produces many church directories around the country. The church itself incurs no financial obligation in the production of these directories. Appointments for individual and family portraits will be during the period October 25 through November 13, 2010; and portraits will be available before Christmas. A week or so before Labor Day and continuing till mid-October, you can schedule your appointment for your portrait. A suitable area will be set up in the parish center to take these photographs; and you will be able to preview your portraits immediately after the sitting. **Here's the really good news, every parishioner or family signing up to be photographed will receive a free 8 x 10 full color signature portrait as well as a free church pictorial directory.** We hope everyone will want to be included in our new photo directory, so watch for continuing information about scheduling yourself to be included in our new, much-needed directory.

## OFFERTORY COLLECTION

July 4, 2010: \$15,882  
July 5, 2009: \$14,434

*Thank you. The preliminary results for the June 2010 offertory donations were 10.8% above June of last year.*

That demonstrates the exceptional generosity of so many of you despite these very difficult economic times. The preliminary figures for the fiscal year just ended indicate that our offertory for the past 12 months was **\$607,546**, which will be the **higher or \$24,538 more** than the previous fiscal year. That will be the highest offertory recorded for at least the past 20 years and very likely the highest ever in the history of St. Anne. Everyone who contributes to the church in any manner should be extremely proud to have shared in this wonderful testament of giving. ***Thank you again!***
