What do you want your child to learn this year? What topics would you like to have covered? What are your expectations of Youth Ministry?

What topics (if any) would you rather not have your child exposed to (i.e. theology of the body, substance abuse issues, etc.)

Please fill out this next section if you are willing and able to participate in any way. The more you are involved with youth ministry, the better for you, the better for us and the better for your child (even if they don't think so).
