Application for St Anne Catholic School Reduced Rate Tuition for Grades K – 8

2011-2012 Confirmation of Contributor Status

St Anne Catholic Church substantially subsidizes the parish school from the General Fund. Therefore, good stewardship requires verification of contributing membership in the church in order to qualify for the Catholic reduced rate tuition. Catholic families must complete this form and return it to the school office to seek approval to be granted the reduced rate tuition. The school office will in turn process this application to the Church Pastor for approval. If approved, this application will be reviewed in January 2012 for compliance. Archdiocesan guidelines outline three criteria in order to approve a family for the Catholic reduced rate tuition.

1. The family must be registered as members of St Anne Catholic Church or one of its two mission churches, Our Lady of the River in Rogue River, or St Patrick of the Forest in Cave Junction. The family regularly attends Mass at one of these churches.
2. The family must contribute monetarily on a regular basis to the church offertory (General Fund) in an identifiable manner, either through envelopes, checks, or automatic contributions.
3. The family must be actively involved in the parish and/or school. Volunteering to serve in one or more ministries of the church cannot fully offset some amount of monetary contributions to the church; however, such involvement can be considered when a family's contributor status is reviewed. Volunteer hours in the school in this regard must be over and above the 20 or 40 hours that are already required.

Please indicate below how you intend to meet the guidelines explained above.
